

# Compliance statement CS2 – Design review

Post: Watercare, Private Bag 94010, Auckland 2241  
Email: info@water.co.nz  
Phone: (09) 442 2222  
Website: www.watercare.co.nz

To be completed by the engineering professional who peer reviewed the design work done by others. This form needs to be included as part of your engineering approval application to Auckland Council. However, if you are working on a Watercare project, please send completed forms to the Watercare project manager.

## Author's details

First name/s  Last name

Company

Business address:

Street number  Street name

Suburb  Postcode

Work phone (  )  Mobile

Email

## Accreditation details

Academic qualification  Engineering discipline

Competency accreditation

Accreditation body  Registration number

Registered practice area\*

*\*Attach proof from accreditation body*

## Parameters of this statement

Describe the design work certified by this statement

If in part, describe the overall project  Not applicable

Site address:

Street number  Street name

Suburb  Postcode

Site legal description\*

*\*Include the Lot number and DP number if available*

Engaged by

## Construction monitoring

Tick the recommended construction monitoring level below

ACENZ level  CM2  CM3  CM4  CM5

OR

Watercare risk-based method\*\*

*\*\*Attach a monitoring schedule, showing individual component criticality rating and monitoring competence requirements.*

## Supporting documents

Please list the design documents that have been reviewed and append the design review report.

Document name/number	Date	Version
	DD / MM / YYYY	
	DD / MM / YYYY	
	DD / MM / YYYY	
	DD / MM / YYYY	
	DD / MM / YYYY	
	DD / MM / YYYY	
	DD / MM / YYYY	

If you have more documents, you can attach a schedule which must include document dates and versions.

## Declaration

I declare that:

1. I have due authority from my company to provide this compliance statement
2. The information in this statement is true and correct to the best of my knowledge
3. I have completed the design in accordance with Watercare engineering standards and codes of practices.
4. I understand that Watercare will rely on this statement to confirm compliance with the above requirements.
5. The proposed work covered by this statement is described in full in the design reports, specifications, the drawings and other documents attached to this statement.
6. I understand that if I become aware of any change in circumstance or any reason why the information covered by this statement might not be correct, I must notify Watercare as soon as possible.
7. I understand that information I provide on this form includes personal information covered by the Privacy Act 1993.
8. I authorise Watercare to collect, retain and use that personal information for the purpose of assessing my suitability as an author of compliance statements. I also authorise Watercare to collect, retain and use (for that same purpose) personal information about me from other sources available to Watercare including, but not limited to, the professional or trade organisations, referees and any other persons or companies with whom I am or have been associated. I understand that Watercare will handle such personal information in accordance with its Privacy Statement located at: [www.watercare.co.nz/about-watercare/about-this-site/privacy-statement](http://www.watercare.co.nz/about-watercare/about-this-site/privacy-statement)
