Drawing water from fire hydrants is NOT allowed in the Rodney and Franklin areas. Watercare does not service the Papakura area, so please do NOT use our standpipes there.

Please note:

- *Our standpipes must be returned in the same condition as they were supplied. The hirer will have to pay to repair any damage to the standpipe or water network.*
- *The hirer is responsible for paying the annual hire fee and water charges. The water charges will be billed when we receive your monthly water consumption report before the 10th of each month.*
- *The hirer must make sure that safety precautions are taken when using the equipment, both for their safety and the safety of others.*

4. Authorisation

I declare that the information given on this form is true and correct and I am authorised to sign this form on behalf of the company making this application. If granted, the company agrees that it will pay the fees; understands that the hydrant use is discretionary; acknowledges that the permit can be withdrawn and/or penalties applied if it does not comply with the contract, and understands that the permit will be valid for one year.
